Petition of the Massachusetts Electric Company d/b/a National Grid  
 OF NORTH ANDOVER, MASSACHUSETTS  
 For Electric conduit Location:

To City Council of Melrose, Massachusetts

Respectfully represents the Massachusetts Electric Company d/b/a National Grid of North Andover, Massachusetts, that it desires to construct a line of underground electric conduits, including the necessary sustaining and protecting fixtures, under and across the public way or ways hereinafter named.

Wherefore it prays that after due notice and hearing as provided by law, it be granted permission to excavate the public highways and to run and maintain underground electric conduits, together with such sustaining and protecting fixtures as it may find necessary for the transmission of electricity, said underground conduits to be located substantially in accordance with the plan filed herewith marked: Rowe St - Melrose - Massachusetts.

The following are the streets and highways referred to:

Plan # 27967397 Rowe St - National Grid to install beginning at a point approximately 135 feet northwest of the centerline of the intersection of Porter St and Rowe St. Install one new manhole over newly installed conduits on Rowe St near 24 Porter St.

Location approximately as shown on plan attached

Massachusetts Electric Company d/b/a National Grid  
 BY Robert Coulter  
 Engineering Department

Dated: April 25, 2022

ORDERED:

Notice having been given and public hearing held, as provided by law, that the Massachusetts Electric Company d/b/a National Grid be and it is hereby granted permission to excavate the public highways and to run and maintain underground electric conduits, together with such sustaining and protecting fixtures as said company may deem necessary, in the public way or ways hereinafter referred to, and to make the necessary house connections along said extensions, as requested in petition with said company dated the 25<sup>th</sup> day of April, 2022.

Said underground electric conduits shall be located substantially in accordance with the plan filed herewith marked -- Rowe St - Melrose - Massachusetts. Plan # 27967397.

The following are the public ways or part of ways along which the underground electric conduits above referred to may be laid:

Rowe St - National Grid to install beginning at a point approximately 135 feet northwest of the centerline of the intersection of Porter St and Rowe St. Install one new manhole over newly installed conduits on Rowe St near 24 Porter St.

I hereby certify that the foregoing order was adopted at a meeting of the .....  
....., held on the ..... day of ....., 20 .....  
....., 20 .....

Received and entered in the records of location orders of the City/Town of  
Book ..... Page .....

Attest:  
.....

..... hereby certify that on .....20....., at ..... o'clock, ....M  
at ....., a public hearing was held on the petition of  
Massachusetts Electric Company d/b/a National Grid for permission to construct the underground  
electric conduits described in the order herewith recorded, and that I mailed at least seven days  
before said hearing a written notice of the time and place of said hearing to each of the owners of  
real estate (as determined by the last preceding assessment for taxation) along the ways or parts of  
ways upon which the Company is permitted to construct the underground electric conduits under  
said order. And that thereupon said order was duly adopted.
