Winthrop Elementary School Council Minutes
February 16, 2023
2:30-3:30

- Welcome
- REACH Check In
    - Review of behavior matrices in development
    - Discussion of REACH at home matrix
        - Would families like the common vocabulary?
        - How to frame for families so understand is optional and would be welcomed
        - Meaghan Comb has a contact for refresh of our logo and posters and has worked with PTO on lining up possible funding-could go through printing line for this year
        - PTO for any additional budget expenditures next year
        - Idea of getting the Winthrop tee shirts at beginning of year and use them again at spirit day
        - PTO is building out a way to possibly order PTO items through a catalog
        - If we had tee shirts early in year for a REACH celebration-great way to teach REACH to families
- Budget Proposal Process Update
    - Review of elementary positions being requested
        - Daily student supports (1 per school) and lunch monitors (2 per school) requested for FY24
- Chromebook Carts
    - Check has been submitted and the purchase order has been generated for the IT department to place the order
- Other business
    - Classroom placement process update shared
    - District literacy task force-discussion and questions
    - Elementary Scheduling update
        - Additional Kindergarten-where located?
        - Success criteria established
        - Review of new contract language for 44 minute prep blocks
        - Lunch and recess timing
        - Time on learning by subject
        - Sharing of specialists
    - Individual student profile work happening in District shared-development of individual student success plans

    - Superintendent search process-questions about status
    - Systematic way to share more with parents about academic progress as of MOY was discussed-how could parents learn more about where students are at MOY-Could we send MOY iReady reports

- Adjourn
