**Melrose Cultural Council Accepting Grant Proposals
September 2 through October 16 for 2026 Calendar Year**

Melrose, MA: The Melrose Cultural Council (MCC) is seeking proposals for community-oriented arts, cultural, and interpretive sciences events and programming with broad public benefit and impact. The Local Cultural Council (LCC) annual grant application cycle opens Tuesday, September 2, and closes Thursday, October 16.

The MCC's goal is to provide financial support on a direct-granting basis to a variety of projects that appeal to the diverse population and cultures within our community — reaching adults of all ages, youth, children, families, and seniors. Information about the online application, eligibility guidelines, local priorities, and past grants can be found on our website: melroseculture.org/apply.

Grant Eligibility Requirements: Applicants must present their events and programming during the upcoming calendar year (January 1-December 31, 2026) at a local ADA-compliant venue. Applicants are urged to closely read and follow the LCC Program eligibility guidelines and local priorities available on the Massachusetts Cultural Council [website](#). As in our most recent grant cycle, the MCC may now fully fund approved projects, eliminating the need for applicants to seek additional sources of funding. We do not accept requests for capital expenditures, individual scholarships, or multi-year repeating programs. First-time applicants are encouraged to submit a proposal. Prospective applicants are welcome to contact the MCC to ask questions or to receive feedback on proposals before submitting. Grants are competitive, and not all requests are awarded or fully funded. In 2025, 32 grants were awarded, ranging from \$300 to \$3,000. In total, nearly \$38,000 was disbursed to 2025 grant recipients.

Priorities: Our 2026 priorities are informed by a recent community outreach survey. We are actively encouraging applications that address inclusion, diversity, and equity. Preference will be given to projects that build community through social connections and dialogue. We hope to elevate the voices and experiences of historically underrepresented groups by authentically reflecting and highlighting the current and historic diversity of Melrose residents through arts and culture. Projects that speak to the experience of Massachusetts artists and audiences who identify as BIPOC, Latinx, LGBTQIA, immigrant, or live with disabilities are encouraged to apply. Proposals for innovative ideas,

collaborations, and new initiatives that produce free public events and activities in outdoor spaces are most favorably welcomed.

About the Council: The MCC is the local affiliate of the Massachusetts Cultural Council. Part of a statewide network in cities and towns funded by the legislature, MCC is committed to supporting programs that promote excellence, education, cultural diversity, inclusion, and equity to foster a rich and vibrant cultural life in Melrose. Additional funding for the 2026 funding cycle is provided by the City of Melrose through a free cash appropriation approved by the City Council. Grants are given to Melrose organizations, individuals, and Massachusetts artists/presenters in partnership with local organizations. We encourage and support programs across all arts disciplines — visual arts, music, theater, dance, writing, projects in the humanities, history, local culture, and interpretive sciences.

GRANT AGREEMENT

This Grant Agreement (“Agreement”) is made by and between the Commonwealth of Massachusetts, acting by and through the Executive Director of the Massachusetts Office on Disability (MOD) on behalf of the Secretary of the Executive Office for Administration and Finance (EOAF), and the City of Melrose through Mayor Jennifer Grigoraitis.

PRELIMINARY STATEMENT

The Grantee desires to obtain funding from EOAF in the amount specified in paragraph 1.2, as authorized under the Commonwealth of Massachusetts Five-Year Capital Investment Plan – FY2023–FY2027 and Chapter 140 of the Acts of 2022, Section 2, Item 1100-2515 for a Municipal ADA Improvement Grant to fund capital improvements or planning (the “Project”) as described herein. EOAF agrees to make the funds (“EOAF Grant”) available to the Grantee for the Project, subject to the terms and conditions set forth in this Agreement and in compliance with all applicable state laws and regulations governing the disbursement and expenditure of state funds. The Grantee shall exercise complete management and oversight responsibility of the Project and agrees that the Commonwealth’s provision of state funding under this Agreement shall not in any way be construed as the Commonwealth assuming responsibility or liability for the completed Project.

SECTION 1. PROJECT SCOPE

1.1 The scope of the Project to be funded under the EOAF Grant will include:

Removing architectural barriers and making accessibility improvements to the Hoover, Winthrop, and Horace Mann Elementary Schools by installing accessible doors at each location. The Horace Mann school will also install an accessible lift, ramp, and railing. The Hoover School will also install accessible door handles at several locations.

1.2 The maximum EOAF Grant amount authorized to Grantee is \$171,800. Disbursement of funds to Grantee is contingent upon MOD’s receipt of detailed, itemized invoices showing incurred expenses between the date of contract execution and June 30, 2026, as described in Section 2.

SECTION 2. DISBURSEMENT OF EOAF GRANT

2.1 Disbursement of the EOAF Grant under this Agreement shall be made pursuant to the FY2023- FY2027 Capital Investment Plan; the information provided in the grant application; and any other information EOAF or MOD may require.

The grant award will be disbursed upon MOD’s receipt of Grantee’s request for reimbursement as set forth in paragraphs 2.2 through 2.6. Grantees should submit all

invoices together to request reimbursement; Grantees should not submit invoices individually throughout the grant cycle.

2.2 It is understood and agreed that the grant provided under this Agreement shall be used solely to pay for capital expenses associated with the Project. Expenses relating to project administration and management shall be assumed by the Grantee, including without limitation: **(i)** salaries and wages of Grantee staff; **(ii)** legal fees; **(iii)** travel, meal and entertainment expenses; **(iv)** overhead and supplies; **(v)** project costs incurred prior to the execution and subsequent to termination of this Agreement; and **(vi)** costs of any other service or activity not related to the Project.

2.3 The Grantee shall keep detailed records of all activities associated with the Project, including, without limitation, all disbursements made pursuant to this Agreement, any modifications of the Project, and any additional funding from sources other than the EOAF Grant. EOAF and MOD shall have the right to examine all records kept by the Grantee related to the Project.

2.4 The Grantee shall be responsible for any cost overruns that occur during implementation of the Project.

2.5 All approved expenses must be incurred by June 30, 2026. Grantee will forfeit reimbursement for any remaining award unused by June 30, 2026. The Executive Office for Administration and Finance shall give due consideration to any extenuating circumstances presented in writing by the applicant and may waive this restriction at its discretion.

2.6 The Grantee shall submit a request for reimbursement that includes a cover letter and itemized invoices of all reimbursable costs incurred for the Project no later than July 17, 2026. The cover letter should include (i) the total amount of reimbursement sought by the Grantee; (ii) an explanation of each invoiced expense; and (iii) an explanation of any funding for the Project from sources other than the EOAF Grant. The itemized invoices shall not include costs excluded from reimbursement in paragraph 2.2. The Commonwealth may reject any requests for reimbursement received after July 17, 2026 and any request to reimburse expenses outside the scope of the EOAF Grant.

SECTION 3. REPORTING

3.1 Upon completion of the Project, the Grantee shall furnish to MOD (i) photo documentation of the project in its before, during, and after phases and (ii) a statement from the Grantee describing how the project improved accessibility in their community.

3.2 Grantees should be prepared to furnish the following on MOD's request: **(i)** copies of all permits and approvals issued in connection with the Project; **(ii)** any outstanding

vendors' invoices, certified payment vouchers, cancelled checks or other documentation verifying actual expenditures in connection with the Project; **(iii)** documentation evidencing commitment of funds to the Project from sources other than EOAF, including documentation associated with the issuance of bonds or notes to finance the cost of the Project; **(iv)** a certificate of occupancy of the Project or portions of the Project as applicable by law.

SECTION 4. COMPLIANCE WITH ALL APPLICABLE LAWS/REGULATIONS

4.1 The Grantee and its consultants and contractors shall comply with any and all federal, state and local laws, rules and regulations, orders or requirements that apply to the Project, including but not limited to: **(i)** Executive Order 592 relating to nondiscrimination, diversity, equal opportunity and affirmative action in hiring and employment practices; **(ii)** the State Prevailing Wage Law (M.G.L. Ch.149, Sections 26 to 27H); **(iii)** Title VI of the Civil Rights Acts of 1964, as amended; **(iv)** Environmental Impact Requirements (M.G.L. Ch. 22, Section 13A) and applicable regulations; **(viii)** the MBTA Communities Act (M.G.L. Ch. 40A, Section 3A); and **(ix)** legal requirements relating to municipal or state-assisted construction and design projects, including those under M.G.L. c. 30B, c. 7C, c. 7, and c. 149, as applicable. Specifically, the Grantee agrees that any work completed under the project will conform with either 521 CMR or the 2010 ADA Design Standards, whichever is more stringent.

4.2 This Agreement shall in no way relieve the Grantee from the full force and application of any laws, rules, regulations and orders or requirements.

SECTION 5. INTEREST OF MEMBERS OR EMPLOYEES OF THE GRANTEE

5.1 No officer, servant, agent, or employee of the Grantee has participated or will participate in any decision relating to the development and implementation of the Project that affects directly or indirectly their personal interest or the interest of any corporation, partnership, or proprietorship with which they are directly or indirectly affiliated. Furthermore, no officer, servant, agent, or employee of the Grantee shall have any direct or indirect interest in any contract made in connection with the Project nor shall in any way violate M.G.L. Chapter 268A.

Re: **Massachusetts Office on Disability (MOD) Grant Acceptance – Melrose Schools**

The City has been awarded a grant in the amount of \$171,800 for accessibility improvements at the Melrose Public Schools. Following on the successful completion of a MOD grant last year to install automatic door openers at Melrose High School and repair openers at the Horace Mann School interior, along with braille signage at the MHS/MVMMS campus, the City applied for and was awarded a new MOD grant for implementation this year. The scope of work includes the following items:

- Automatic door openers at Hoover, Horace Mann, and Winthrop Elementary Schools, including mechanical, electrical, and security infrastructure to install pushbutton openers at the entrances to these three elementary schools. These door openers must be tied into existing security systems for fob access and access from the school offices.
- Stage lift and ramp at Horace Mann Elementary School All Purpose Room, including electrical and mechanical equipment, as well as structural reinforcement of the floor beneath the lift.
- Exterior railing on the ADA ramp at Horace Mann Elementary School, including materials and labor.
- Door handle replacement at select interior doors at the Hoover Elementary School to facilitate opening interior doors for students with specific needs.

We hereby request the City Council's acceptance of the grant from the Commonwealth of Massachusetts Office on Disability in the amount of \$171,800. The grant agreement document is attached for your reference. The funds will be expended from a dedicated project account set up by the CFO/Auditor and reimbursed by the Commonwealth as funds are expended. Thank you for your consideration of this request.

ADDITIONAL TERMS AND CONDITIONS**

FY2026 Community Planning Grant Program Contract

I. CONTRACT

The Contractor is responsible for accessing and reviewing the contents of the documents referenced below, as compliance with each is a binding component of this Contract:

- A. This Attachment A is attached to and made a part of the COMMONWEALTH OF MASSACHUSETTS STANDARD CONTRACT FORM. THE COMMONWEALTH TERMS AND CONDITIONS and the Contractor's Budget, as approved by the Executive Office of Housing and Livable Communities ("EOHLC" or the "Executive Office") are attached hereto as Exhibits.
- B. This Attachment A incorporates by reference the Community Planning Grant Program Application as applicable.
- C. This Attachment A, all attached Exhibits and other Attachments, and all documents incorporated by reference herein, are referred to, collectively, as the Contract.
- D. This Contract represents the entire agreement between the Contractor and EOHLC, and any prior or contemporaneous representations, promises, or statements by the parties, that are not incorporated herein, shall not serve to vary or contradict the terms set forth in this Contract.
- E. If any term or condition of this Contract is declared by a court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and conditions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if this Contract did not contain the particular provision held to be invalid.

II. SCOPE OF SERVICES AND COMPLIANCE WITH LAWS

The Community Planning Grant Program provides funding for a variety of activities related to community planning, such as a community plan, zoning revision, or planning for housing. As these are planning and zoning grants, grant funds must either: (1) support direct community engagement efforts to involve community members in the planning process, or (2) produce planning or zoning document(s) and/or related materials in draft, phased, or final product form.

The Contractor shall use this contract funding to provide services in accordance with the terms of the attached Budget, the terms of this Contract, and any subsequent Contract amendments. **ALL EXPENSES MUST BE INCURRED ON OR BEFORE JUNE 30TH OF THE FISCAL YEAR IN WHICH THEY OCCUR (FY 2026 – YEAR 1; FY 2027 – YEAR 2).** Any later change in services and activities to be provided by Contractor shall be made only with the prior approval of EOHLC, in accordance with Section III.C. below.

Revised: October 2025

The Contractor shall carry out these activities in conformance with all applicable federal and state laws and requirements, including without limitation, statutes, rules, regulations, administrative and executive orders, ordinances, and codes, as they may be issued and amended, and this Contract shall in no way relieve the Contractor from the full force of any laws, rules, regulations and orders, or requirements.

EOHLC reserves the right to issue future administrative guidance. The Contractor shall comply with all applicable guidelines, information memoranda, list serves, or other guidance EOHLC may issue, amend, or supplement from time to time.

III. ADDITIONAL TERMS AND CONDITIONS

A. Reporting Responsibilities of the Contractor

1. The Contractor, and any entity under subcontract, having costs chargeable to Contract funds shall maintain Contract records in accordance with Section 7 of the Commonwealth Terms and Conditions including without limitation, a record of planned activities, a record of activities carried out, and an explanation of any changes in program activities. **Consistent failure to meet these and all reporting responsibilities of the Contractor and the provisions of this Contract may negatively impact future awards of EOHLC capital grant programs.**
2. The Contractor shall comply with all records and reporting requirements set forth in this Contract.
3. The Contractor shall submit to EOHLC in writing a schedule of the Contractor's estimated drawdowns of grant funds prior to fully executing a Contract. The Contractor shall update the schedule of estimated drawdowns of grant funds at the beginning of each fiscal year of the Contract, if the Contractor becomes aware of substantial changes to the original estimate, or as requested by EOHLC.
4. The Contractor shall submit written quarterly progress reports to EOHLC in compliance with the following deadlines and requirements using a form provided by EOHLC. Progress reports shall be submitted on or before the 15th day of the month following the last month of the quarter, except in instances when the due date shall fall on a weekend or holiday where reports would be due the following full business day after the deadline. **EOHLC may delay reimbursement to the Contractor if the Contractor consistently fails to submit timely progress reports or other documents required under this Contract.** Any such action by EOHLC shall be preceded by written notification of the intent to delay such reimbursement, which may be done electronically, and allow for the Contractor to make reasonable written explanation regarding the occurrence, and the remedy of the issue. Failure by the Contractor to reply to EOHLC's written notification or to comply with specific instructions from EOHLC shall be treated as a breach herein and under Section 4 of the

Revised: October 2025

Commonwealth Terms and Conditions. EOHLC further reserves the right to consider past performance under the Community Planning Grant Program when evaluating an applicant's initial submission.

Progress report deadlines are as follows:

FY Quarter	Reporting Period	Progress Report Due Date
FY26 Q3	Contract start date to 3/31/2026	4/15/2026
FY26 Q4	4/1/2026 to 6/30/2026	7/15/2026
FY27 Q1	7/1/2026 to 9/30/2026	10/15/2026
FY27 Q2	10/1/2026 to 12/31/2026	1/15/2027
FY27 Q3	1/1/2027 to 3/31/2027	4/15/2027
FY27 Q4	4/1/2027 to 6/30/2027	7/15/2027

For any FY26 grant that is granted a contract extension, the Contractor shall continue to furnish quarterly progress reports on the 15th day of the month following the end of the quarter for the duration of the extended contract.

5. The Contractor shall submit a copy of the planning or zoning document(s), or other project outcome(s) produced with grant funding. Document(s) should be delivered by July 31, 2027. If documents cannot be delivered by July 31, 2027, the Contractor must submit written notification via email to the program representative by July 31, 2027, stating when the documents will be submitted. In accordance with Section III.A.4, failure to submit document(s) required under this Contract may (i) result in delayed reimbursement; (ii) may be treated as a breach of the Contract; and (iii) will be considered when evaluating applications for future grant awards.
6. The Contractor shall continually assess its performance of the Contract-supported activities to ensure that the performance objectives outlined in the Contract are achieved. This includes, but is not limited to, the Contractor's monitoring that applicable schedules are met, and performance objectives are achieved in accordance with the activities delineated in the Contract. The Contractor shall promptly inform EOHLC in writing, which may be done electronically, of the following conditions which may affect its deliverable objectives and performance as soon as they become known:
 - a. Problems, delays, or adverse conditions which will materially affect the Contractor's ability to attain deliverable objectives. This disclosure shall be accompanied by a statement of any actions taken or contemplated by the Contractor, and any assistance needed from EOHLC to resolve the situation. Failure by the Contractor to communicate promptly or to respond promptly to communications from EOHLC may result in the denial by EOHLC of any budget or schedule change requests by the Contractor, as provided in Section III.C.

- b. Favorable developments or events which will enable the Contractor to meet the deliverable Contract objectives sooner than anticipated or at less cost than originally projected.
7. The Contractor shall submit all progress reports electronically to EOHLC's assigned program representative with a copy to:

McKenzie Bell, Senior Community Grants Coordinator
mckenzie.bell@mass.gov
8. EOHLC shall advise the Contractor within thirty (30) days of receiving any report if it is not acceptable to EOHLC. The Contractor shall submit an acceptable report no later than 14 days from receipt of such advice from EOHLC.
9. The Contractor, and any entity under subcontract having costs chargeable to Contract funds, shall maintain Contract records in accordance with Section 7 of the Commonwealth Terms and Conditions, including, without limitation, a record of planned activities, a record of activities carried out, and an explanation of any changes in program activities.
10. Within five business days of receipt, the Contractor shall provide EOHLC with copies of any and all exception reports and written communications of an audit or review of the Contractor and any written final reports of such audits or reviews that the Contractor receives during the Contract term from the state Office of the Inspector General (OIG) and/or the Office of the State Auditor. Such reports or communications may be provided electronically.
11. Within five business days of being served with any pleading in a legal action filed with a court or administrative agency related to this Contract or which may affect the Contractor's ability to perform its obligations hereunder, the Contractor shall notify EOHLC of such action and deliver copies of such pleadings to EOHLC. Such reports or communications may be provided electronically.
12. The Contractor will submit any other reports or information requested by EOHLC by the due date specified in EOHLC's request. The Contractor shall promptly make available to EOHLC or to an auditor or contractor approved by EOHLC such material information regarding the Contractor's activities as may be requested by EOHLC.

B. Payment Mechanism and Fiscal Obligations

EOHLC agrees to provide payment for the services described under this Contract, pursuant to the following payment mechanism:

1. Cost Reimbursement. The Contractor shall submit to EOHLC written requests for cost reimbursement on EOHLC's Community Planning Grant

Revised: October 2025

Invoice form (Community Planning Invoice), or other such form as EOHLC may specify.

Only requests for cost reimbursement for authorized capital expenses, pursuant to the capital funds from the state's capital budget, that are completed within the dates of service of an invoice, and that take place within the length of the contract, are authorized for reimbursement.

2. Community Planning Invoices should be submitted **no more than** once a month and should include the range of the dates of service being submitted for reimbursement.
3. All payments are contingent upon receipt of the availability of funds, authorization by the Executive Office of Administration and Finance and the Massachusetts Comptroller, and the provisions of the Commonwealth Terms and Conditions. In accordance with 815 CMR 2.00 and state finance law, EOHLC is under no legal obligation to compensate the Contractor, or to obtain additional funding, for any costs or other commitments which are outside the scope of the executed Contract and which have not been approved by EOHLC.
4. In no event shall the sum of any and all payment by reimbursement exceed the maximum amount payable to the Contractor hereunder. Requests for payment by cost reimbursement will be honored and funds will be released based on submission by the Contractor, with review and acceptance by EOHLC, of required data and reports as detailed in this Contract, the availability of funds, and the Contractor's satisfactory compliance with the terms of this Contract.

Each request for payment by cost reimbursement must be made on the Community Planning Invoice. By submitting the Community Planning Invoice, the Contractor represents that in accordance with the Contract, including the Contractor's Budget as approved by EOHLC, articles have been furnished, services have been rendered, or obligations have been incurred by a person authorized to incur such obligations.

EOHLC's fiscal representative will provide additional billing instructions, if necessary, to the Contractor via email.

When submitted electronically, the Community Planning Invoice should be attached to the email submission in one email attachment. Any other documents, such as vendor invoices, must be submitted as separate attachments.

In addition to the Community Planning Invoice, requests for payment by cost reimbursement shall also contain sufficient detail, supporting records, and documentation to support costs. Records to substantiate the Contractor's claims hereunder may include, without limitation, payroll

Revised: October 2025

records, accounting records, and purchase orders that are sufficient to document the Contractor's program and financial activities under this Contract.

The request for cost reimbursement shall be submitted electronically to the attention of:

Brett Morton, Fiscal Representative
brett.morton2@mass.gov

with a copy to EOHLC's assigned program representative and:

McKenzie Bell, Senior Community Grants Coordinator
McKenzie.Bell@mass.gov

5. All requests for cost reimbursement for expenses incurred in FY2026 – Year 1 must be submitted on or before July 15, 2026; and all requests for cost reimbursement for expenses incurred in FY2027 – Year 2 on or before July 15, 2027. **Reimbursement requests submitted after the close of these Fiscal Year deadlines in this Section shall not be accepted or paid.** It is the responsibility of the Contractor to require that any subcontractor submit invoices in a manner that meets these requirements and deadlines.
6. The Contractor shall submit the final Community Planning Invoice on or before July 15, 2027. With the submission of the final Community Planning Invoice, the Contractor shall return to EOHLC any unexpended funds that are reflected in the final reconciliation, subject to Section III.B above.

C. Budget or Schedule Changes

1. Any subsequent change in the services and activities to be provided by the Contractor in accordance with the attached Budget, including, but not limited to, extensions of time, requires prior written approval from EOHLC's assigned program representative listed in Section III.A.7. **Requests for any amendments or extensions shall be reviewed on a case-by-case basis by EOHLC and may be approved or denied by EOHLC at its discretion. Consideration shall only be extended to Contractors who are in adherence with Section III.A.6 and other requirements of this Contract. Requests to amend or extend the end date of the Contract must be received by EOHLC on or before March 15, 2027. EOHLC will provide an Extension Request Form template that the Contractor must fill out and submit to EOHLC's assigned program representative by April 1, 2027. This Contract shall not be extended if a request to extend the end date is made after such deadline or if the Contractor fails to submit a timely Extension Request Form. No waivers to this clause shall be granted.**

The Contractor shall submit final reports and forms electronically to EOHLC's assigned program representative with a copy to:

McKenzie Bell, Senior Community Grants Coordinator

McKenzie.Bell@mass.gov

2. **Budget Amendments.** The Contractor may transfer funds among the line items in the Budget, only with the written permission of EOHLC. No amendment to the Contract shall be required for such change. The Contractor shall submit a request for such change electronically to EOHLC's representatives, listed in Section III.B.4, at least 30 days prior to requesting reimbursement funds under such change. If EOHLC does not respond within 30 days of receipt of the requested change, it will be deemed to have approved of the change.

D. Signage, Acknowledgment, Publicity, and Logos

1. **Signage.** The Contractor may erect or post a sign at a location where Contract funds have been used indicating that financing is being or has been provided in part by EOHLC as part of the Community Planning Grant Program, subject to compliance with the zoning by-laws or ordinances of the municipality in which the sign is to be erected or posted. The sign shall include the following statement: "Funds for this Project have been provided by a Community Planning Grant provided by the Massachusetts Executive Office of Housing and Livable Communities."
2. **Acknowledgment.** If Contract funds are expended by the Contractor on the preparation or production of a brochure or other publication, the brochure or publication shall include the following statement: "This publication was funded by a Community Planning Grant provided by the Massachusetts Executive Office of Housing and Livable Communities."
3. **Publicity; Other Materials.** The Contractor may disseminate, publish, or reproduce documents produced in whole or in part pursuant to this Contract, provided that the Contractor furnishes to EOHLC copies of any such documents thirty (30) days prior to publication, and provided that such documents include the acknowledgment required under Section III.D.2. The Contractor may copyright any books, publications, or other copyrightable materials produced under this Contract, provided that the Contractor shall provide to the Commonwealth as appropriate an irrevocable, nonexclusive royalty-free right to reproduce, publish, or otherwise use or authorize others to use the copyrighted material.
4. **Logos.** If the Contractor wishes to include an Agency logo on any signage or other materials produced in accordance with this section, it may contact EOHLC's assigned program representative, listed in Section III.A.7, for the appropriate copy of a logo.

5. Submission to EOHLC. Any sign, publication, or other material produced in accordance with this section must be submitted in advance to EOHLC's assigned program representative, listed in Section III.A.7, no later than thirty (30) days before posting or distribution. If EOHLC does not respond within thirty (30) days of receipt of the material, it will be deemed to have approved of the material.

EOHLC reserves the right to require that the Contractor provide to EOHLC photographs, video, or other media and/or documentation, if applicable, or copies of such materials, of any project financed in part by EOHLC under the Community Planning Grant Program.

E. Audit or Financial Review

EOHLC reserves the right under this Contract to secure its own independent audit or financial review of the Contractor's (or Subcontractor, if applicable) records if, in its sole discretion, EOHLC determines that it is necessary for any reason.

F. Monitoring

EOHLC may monitor the Contractor's (or Subcontractor, if applicable) compliance with the Contract. The Contractor shall allow EOHLC and its representatives access to all its books and records pertaining to this Contract.

G. Conflict of Interest, Licensure, and Debarment

1. The Contractor shall not engage in any business or personal activities or practices or maintain any relationships which conflict in any way with the full performance of the Contractor's obligations hereunder.
2. The Contractor shall not knowingly employ or compensate any employee of the Commonwealth during the term of this Contract, unless such arrangement is permitted under the provisions of M.G.L. c. 268A. Employment of former Commonwealth employees shall also be in compliance with the provisions of M.G.L. c. 268A.
3. The Contractor represents and warrants that as of the effective date, it has, and that at all times during the term hereof it shall have, at its sole expense, all licenses, certifications, approvals, insurance, permits, and other authorizations required by law to perform its obligations hereunder. The Contractor shall maintain all necessary licenses, certifications, approvals, insurance, permits, and other authorizations required to properly perform activities under this Contract, without reimbursement by the Commonwealth or other adjustment in Contract funds. Further, the Contractor warrants that all employees, agents, and subcontractors performing services under this Contract shall hold all required licenses or certifications, if any, to perform their responsibilities.

4. The Contractor certifies that the Contractor and its principals are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal or state department or agency. The Contractor agrees to immediately notify EOHLC if the Contractor becomes suspended or debarred, or if any licenses, certifications, approvals, insurance, permits, or any such similar requirement necessary for the Contractor to properly perform become revoked, withdrawn, or non-renewed during the Contract period.

H. Enforcement, Suspension, and Termination

1. Enforcement of this Contract and all rights and obligations hereunder are reserved solely to the Contractor and EOHLC, and not to any third party.
2. EOHLC may use increased or additional monitoring and reporting as part of its enforcement actions.
3. EOHLC's grant application review includes a review for civil rights compliance. EOHLC reserves the right to place conditions on this grant if there is an administrative or judicial finding, decision, opinion, order, or other outcome concerning any civil rights matter(s) that is adverse to the Contractor or any of their subcontractors. Such conditions may be added by EOHLC through administrative guidance or email, without the need for a formal contract amendment.
4. This Contract may be terminated pursuant to Sections 4 and 5 of the Commonwealth Terms and Conditions.
5. EOHLC may provide the Contractor with written notice to decrease or cease Contract activity. Effective upon receipt of notice from EOHLC, or a later date specified therein, the Contractor agrees to decrease, suspend, and/or terminate Contract activity in conformance with the terms of such notice.
6. Upon the termination or expiration of this Contract, the Contractor shall continue to cooperate with all audit, records, and monitoring requirements.
7. Within a maximum of 90 days following the date of expiration or termination of this Contract, the Contractor shall submit all reports and data required by this Contract.

I. Non-Discrimination In The Provision of Services

J. Confidentiality

1. The Contractor certifies that it has established sufficient internal policies to carry out its obligations hereunder.
2. The Contractor shall keep all state records and information, wherever obtained, confidential at all times and comply with all state and federal laws concerning the confidentiality of information. RE: Housing Production Plan Implementation Project Grant Acceptance

The City has been awarded a \$100,250 FY2026 Community Planning Grant to support the continued implementation of the City's Housing Production Plan. Housing is area of critical need as is outlined in the Housing Production Plan and with this grant we will hire a consultant to work with our staff and Zoning Subcommittee of the Planning Board to solicit community input and craft revisions to our regulations that will enable a more diverse mix of housing types. This work will build off of the City's past successes and support our local and regional housing goals.

We hereby request the City Council's acceptance of the grant from the Executive Office of Housing & Livable Communities (EOHLC) through the Community One Stop for Growth Program in the amount of \$100,250.00. The grant agreement document is attached for your reference. The funds will be expended from a project account set up by the CFO/Auditor and reimbursed by EOHLC as funds are expended.

Thank you for your consideration of this request.
