Appropriations Committee is called to order by Chairman Brodeur at 7:20 p.m.

Order No. 11-74, BOND Authorizing City Treasurer with the approval of the Mayor to issue bonds or notes of the City to the aggregate amount of \$220,000 to fund the Engineering and Design of the renovations to the High School Athletic Complex as set forth herein.

Alderman Infurna motions to suspend the rules to hear from Ms. Gaffey, 2nd by Alderman Boisselle. All in favor.

Ms. Gaffey says she is requesting this funding to pursue the next phase of the project. The feasibility study is complete. This phase includes the architect for the field house design. The goal is to keep the project on schedule and have it completed by October. Plans were refined in the feasibility study and there were permitting issues with the Conservation Commission. She expects the project to go out to bid in March, which allows significant lead time before construction begins in mid-May. The project is planned in conjunction with the sewer project which will begin in the next couple of weeks.

Alderman McAteer-Margolis moves to recommend, 2nd by Alderman Tramontozzi. All in favor.

Alderman Infurna motions to adjourn, 2nd by Alderman Mortimer. All in favor.

Appropriations Committee adjourns at 7:26 p.m.
