Election Advisory #22-01

Changes to State Election Laws

June 23, 2022

The purpose of this Advisory is to familiarize local election officials with changes to state election laws that will impact the 2022 State Primaries and State Election, as well as upcoming local elections.

This Advisory includes a first-glance summary of changes that will directly affect how you, as a local election official, will carry out your duties. Additional information and specifics will be provided in the coming weeks and months, as different aspects of the new law go into effect and as new regulations are promulgated.

The VOTES Act

On June 22, 2022, an election reform law titled “The VOTES Act” was signed into law. Among other things, the VOTES Act makes several of the temporary changes from the pandemic permanent, so many of these policies and procedures will be familiar to those of you administering elections in 2020. The new law also makes the absentee voting process and early voting by mail processes consistent.

Voter Registration Deadlines

Beginning July 22, 2022, the voter registration deadline for all elections and town meetings will be 10 calendar days before the date of the meeting or election.

Local election officials will still be required to hold in-person registration sessions on the last day to register to vote, which for any Tuesday election will now be a Saturday, but the registration session will end at 5 p.m. instead of 8 p.m.

For cities and towns with more than 1,500 voters, the registration session must be held from 9 a.m. until 5 p.m. For towns with fewer than 1,500 voters, the registration session must be held from 9 a.m. until 11 a.m. and from 3 p.m. until 5 p.m.

Poll Worker Appointments

Effectively immediately, there is additional flexibility for the appointment of poll workers.

If, six weeks before an election, it is determined that there are not enough election officers appointed, the appointing authority (board of selectmen, city council, board of election commissioners) may appoint poll workers without regard to political party affiliation, voter registration status, residence, or inclusion on a list from a local party committee.

If, three weeks before an election, there are still not enough poll workers appointed, the clerk will be able to fill vacancies by appointing any competent person, without regard to party, residence, or a list from a local party committee.

Further, you now have the option to eliminate the use of a check-out table if you choose to do so. If you do not use a check-out table, however, you must still have a poll worker stationed at the ballot box.

If poll workers are appointed without regard to party affiliation, the inspectors at the check-in table (and check-out, if used) cannot be of the same political party. If poll workers are appointed from lists from the parties, the inspectors must be of different political parties.

Police Officer Assignments

Effective immediately, the law regarding assignment of police officers at polling places is amended to require the board of selectmen, town council, or city council to assign police officers and constables to polling places. Previously, this was the responsibility of the chief of police.

Since this change is taking effect before the primaries, you will need to communicate with your selectmen or council to make sure they detail officers at a summer meeting before September.

Vote by Mail

Effective immediately, early voting by mail must be available for all state elections, state primaries, and presidential primaries.

Early voting by mail is also required for all local elections and preliminaries, unless the city or town opts out. In order to opt out of Vote by Mail for a local election, the selectmen, city council, or town council must hold a public hearing and public roll call vote to NOT allow Vote by Mail no later than 45 days before the date of the election. Cities and towns cannot opt out of Vote by Mail for a local election if the election is happening on the same day as a state election, state primary, or presidential primary.

Applications

As in 2020, the Elections Division will be mailing Vote by Mail applications at least 45 days before every regular state primary, state election, and presidential primary. The applications will be sent to everyone registered to vote by the 60th day before the election who has not

already applied for a ballot. The applications will be pre-addressed to the local election office and postage pre-paid.

Unlike previous years, family members are now allowed to request an early Vote by Mail ballot on a voter's behalf, as they currently can with absentee ballots. Similarly, family members are now permitted to return an early Vote by Mail ballot for the voter as well.

Applications to Vote by Mail must be posted every city and town website, as well as on the Secretary of the Commonwealth's website.

Any form of written communication requesting a ballot is sufficient. Applications may be signed electronically, as long as the signature is written in substantially the same manner as a hand-written signature.

Effective immediately, you are required to include Vote by Mail applications with all acknowledgement notices sent to any new voter or anyone who has changed their address. Note that unlike 2020, these applications must be sent all year round, and not only to voters who register or move after the statewide application mailing has been sent.

Online Portals

The Elections Division will also be required to establish an online ballot request portal for voters to use to request their ballots online. The law states that a wet signature cannot be required for this portal. Additional information on the portal will be provided after the Secretary's Information Technology Division is able to examine the requirements in the law.

A portal for UOCAVA voters to request their ballots and submit ballots electronically will also be required, though that part of the law does not go into effect this year. More information on that will be provided after the 2022 elections.

Application Deadlines

The deadline to receive a request for any ballot (early or absentee) to be mailed is now 5 business days before the election. A business day is any weekday that is not a legal holiday, so this will typically fall one week before Election Day.

For the September 6th State Primary, because Labor Day is not a business day, the deadline for you to receive vote by mail applications is 5 p.m. Monday, August 29th.

For the November 8th State Election, the deadline for you to receive vote by mail applications is 5 p.m. Tuesday, November 1st.

No ballots can be mailed to any voter whose application has not been received by 5 p.m. on the 5th business day before the election. Remember, however, that in-person early voting is still available until the Friday before the election for applicable elections and in-person absentee voting is still available until noon on the day before the election (if that day isn't a holiday).

Additionally, voters admitted to a health care facility after 12pm on the 7th day before the election can request a hand-delivered absentee ballot up until the close of polls.

Accessible Vote by Mail

Effective immediately, voters who have a disability which prevents them from being able to independently mark a paper ballot are allowed to request a reasonable accommodation. Additional information on accessible voting by mail will be forthcoming.

Ballot Envelopes

Return ballot envelopes (AV-8s) for state primaries, state elections, and presidential primaries are now pre-addressed and postage pre-paid.

This means that any AV-8 return ballot envelopes provided by this office need to be printed specifically for your community. It will be very important for you to be aware of your inventory and provide as much notice as possible to the Elections Division if you are running low.

Ballot Return

For most elections, all ballots will still have to be returned by close of polls on Election Day. Beginning with the 2022 State Election, ballots will be able to arrive up to 3 days after Election Day for biennial state elections only. This means that ballots mailed from inside the country can be counted if they are postmarked by Election Day and received by 5 p.m. on the Friday after Election Day. Again, this is only for biennial state elections, which are the November federal elections held in even-numbered years.

This year, because the Friday after the election is a holiday, the deadline for ballots to be received is 5 p.m. on Saturday, November 12th. We realize this deadline creates logistical issues and we are in the process of exploring our options. More information will be provided as soon as we have it.

Ballots returned by hand, to a drop box, or electronically still need to be received by your office by close of polls on Election Day for all elections.

Ballot Processing

Similar to 2020, you now have the option of advance removing ballots from their envelopes and advance depositing ballots into the tabulator or ballot box ahead of Election Day. All ballot removal and depositing before Election Day will still need to happen in public sessions. The Elections Division will be issuing regulations, likely similar to those used in 2020, on advance processing and more information will be provided when that happens.

Deceased Voters

Since ballots will begin to be processed before Election Day, the law prohibiting counting the ballot of anyone who dies before Election Day has been repealed. A voter's ballot can be counted as long as the voter was alive when it was cast, which means as of the postmark date or when it was hand-delivered or deposited into a drop box.

In-Person Early Voting

In-person early voting must now be offered for all regular state primaries, state elections, and presidential primaries. It must also be offered for special elections and primaries to fill vacancies for U.S. Senate or Congress. In-person early voting must also be held for any municipal elections being held on the same day as one of the above listed elections.

In-Person Early Voting Dates

In-person early voting for biennial state elections must be held from the 17th day through the 4th day before the election. In 2022, the early voting period for the November 8th State Election will begin on Saturday, October 22nd and end on Friday, November 4th.

Early voting for state and presidential primaries will begin on the 10th day before the primary and end on the 4th day before the primary. Early voting for the September 6th State Primary will begin on Saturday, August 27th (the same day as the voter registration deadline) and end on Friday, September 2nd.

In-Person Early Voting Hours

The requirements for early voting hours have changed to require weekend hours and set standards for weekday hours. Please note that these are minimum hours and you can always increase the in-person early voting hours.

On weekends, the number of hours you must be open depends on the number of registered voters in your community. The required minimum hours for weekends are:

Number of Voters	Required Weekend Early Voting Hours
0 - 4,999	At least 1 day per weekend At least 2 hours each day you are open At least 4 hours total each weekend
5,000 – 24,999	At least 1 day per weekend At least 3 hours per day you are open At least 6 hours total each weekend
25,000 – 39,999	At least 4 hours each weekend day
40,000 – 74,999	At least 6 hours each weekend day
75,000+	At least 8 hours each weekend day

For weekdays, the required minimum early voting hours will vary depending on the size of your community and at what point it is during the in-person early voting period. By default, the early voting hours are during your regular business hours; however, your city council, board of selectmen, or town council may have the option to limit early voting hours on certain days, if your community is small enough.

The required weekday early voting hours are:

Number of Voters	Required Weekday Early Voting Hours
0 - 4,999	At least 25% of regular business hours
5,000 – 39,999	Primary: Regular business hours State Election: Week 1: at least 50% of regular business hours Week 2: Regular business hours
40,000+	During your regular business hours

In order to limit your early voting hours, your board of selectmen, city council, or town council will need to vote to do so at a public meeting held no later than 20 days before early voting begins. For the November 8, 2022 State Election, the deadline to take that vote is Sunday, October 2, 2022.

Early Voting Locations

Minor changes have been made to the law regarding the designation of early voting sites. As has been the case previously, your local election office is the default early voting site in your community. If your office is determined to be unsuitable or inaccessible, the registrars must vote to hold early voting in a different location. You can also designate additional early voting locations, which must also be accessible.

When assigning early voting sites, your city or town must now consider, to the extent feasible, diverse geographic locations and whether the sites would have an impact on access to the polls on the basis of race, national origin, disability, income, or age. Unlike the assignment of polling places in 2020, no written report on the impact of the early voting locations is required.

Your early voting sites must be designated no later than 2 weeks before early voting begins.

Notice Requirements

You will also need to publish notice of the locations and schedule for early voting at least 5 business days before early voting begins and at least once during the early voting period.

Notice must be posted: in your office or on the city/town bulletin board; in any other public building considered necessary; on the city/town's website; and on the Secretary's website. Remember, you need to enter your hours and locations into VRIS (or notify the Elections Division by email, if that VRIS screen is locked) for them to be posted on our website.

The deadlines for early voting posting for 2022 are:

Local Elections

For local elections, cities and towns may choose to have in-person early voting. To opt-in to early voting for local elections, at least two registrars need to recommend it, and the board of selectmen, town council, or city council must then vote to authorize in-person early voting.

The vote to opt-in to early voting must take place no later than 5 days before early voting would begin, and must include the early voting schedule. Early voting can begin no earlier than the 17th day before the election or preliminary and can end no later than 2 business days before the election. Early voting for local elections default to your usual business hours, unless the vote specifies otherwise.

Sites for early voting for local elections will be designated by the clerk. The location(s) and early voting schedule must be posted no less than 48 weekday hours before early voting begins.

150 Foot Rule

Beginning with early voting for the September 6th State Primary, the 150 foot rule prohibiting campaigning around polling places will be extended to early voting sites as well. This means that there shall be no campaigning for or against a candidate or question on the ballot for that election within 150 feet of the entrance to the early voting site during voting hours. Signature gathering of any kind will also be prohibited during the voting hours.

Jail-Based Voting

While voters who are incarcerated for a reason other than a felony conviction can already vote by absentee ballot, the new law contains provisions to make voting easier for those who are incarcerated, including adding requirements to correctional facilities to distribute information. Changes to jail-based voting take effect at the beginning of 2023 and more information will be provided after the 2022 elections.

Automatic Voter Registration

Beginning on January 1, 2023, applicants at the RMV will no longer have the option to opt out of automatic voter registration. Instead, the RMV will be required to transmit the names and

addresses of all ***eligible citizen*** applicants to local election officials for voter registration purposes.

Applicants who are automatically registered to vote will now be allowed to decline registration only after receiving the acknowledgment notice you send to them.

(a)(1) The election officers and registrars of every city or town shall allow any registered voter qualified under section 1 of chapter 51 to vote early by mail for any municipal preliminary or election or presidential or state primary or election, including any such special preliminary, primary or election, or any primary or election held pursuant to section 140 to fill a vacancy for senator or representative in congress; provided, however, that the select board, board of selectmen, town council or city council of each city and town may, after a public hearing and by recorded and public vote not less than 45 days prior to the date of the preliminary or election, opt out of the provisions of this subsection for any regular or special municipal preliminary or municipal election; provided further, that any registered voter qualified under section 1 of chapter 51 shall be allowed to vote early by mail for any municipal preliminary or municipal election held on the same day as any presidential or state primary or election or any primary or election held pursuant to section 140 to fill a vacancy for senator or representative in congress; and provided further, that this subsection shall not apply to an annual or special town meeting.

(2) Any registered voter wanting to vote early by mail may file with the voter's local election official an application for an early voting ballot for a preliminary, primary or election or for all preliminaries, primaries and elections authorized pursuant to this subsection during the calendar year. Any form of written communication evidencing a desire to have an early voting ballot sent for use for voting at a preliminary, primary or election shall be given the same effect as an application made in the form prescribed by the state secretary. Applications shall be acceptable if they are signed or submitted electronically; provided, however, that any electronic signature

S 2924

shall be written in substantially the same manner as a handwritten signature. No application shall be deemed to be seasonably filed unless it is received in the office of the city or town clerk or registrars of voters before 5 p.m. on the fifth business day preceding the preliminary, primary or election.

(3) A family member of a person qualified to vote early by mail may apply in the manner described under paragraph (2) on behalf of such person. Such applicant shall state the applicant's relationship to the early voter, shall sign the application under the pains and penalties of perjury and shall transmit the application to the clerk of the city or town where the early voter is registered.

(4) A voter wishing to apply to vote early by mail in any presidential or state primary or election or any primary or election held pursuant to section 140 to fill a vacancy for senator or representative in congress and who needs accommodation by reason of disability and is unable to independently mark a paper ballot may apply for such accommodations in a form and manner prescribed by the state secretary. Accommodations shall include, but not be limited to: (i) clear and accessible electronic instructions for completion, printing and returning of the ballot; (ii) an accessible blank electronic application that can be: (A) completed by the voter electronically; (B) signed with a wet signature, a hand drawn electronic signature or the voter's typewritten name as a signature if the voter is unable to independently insert a hand-drawn signature on the application due to a disability; and (C) submitted electronically, by mail or by delivering it, in person or by a family member, to the office of the appropriate city or town clerk; (iii) an authorized accessible blank electronic ballot that can be filled out electronically, printed and signed; provided, however, that the accessible electronic ballot marking system the voter utilizes to access their blank electronic ballot shall not collect or store any personally identifying information obtained in the process of filling out the ballot; (iv) an accessible electronic affidavit that may be used for certification of an accessible electronic ballot and signed with a wet signature, a hand-drawn electronic signature or the voter's typewritten name as a signature if the voter is unable to independently insert a hand-drawn signature on the ballot due to a disability; (v) an envelope to return the ballot to the voter's town or city clerk with postage guaranteed; and (vi) hole punched markers in place of a wet signature required for certification if an electronic affidavit of certification is not utilized. A voter with accommodations in receipt of a ballot pursuant to this section may complete and return the ballot by: (i)

S 2924

submitting it electronically; (ii) delivering it, in person or by a family member, to the office of the appropriate city or town clerk or a secured municipal drop box for the city or town where the voter is registered; or (iii) mailing it to the appropriate city or town clerk; provided, however, that the state secretary shall provide an envelope to allow for returning the ballot pursuant to clause (ii) or (iii).

(5) A voter wishing to apply to vote early by mail in a municipal preliminary or election authorized pursuant to this subsection and who needs accommodation by reason of disability and is unable to independently mark a paper ballot may request an accommodation from their local election official. The request shall be received by the local election official not later than the seventh business day preceding the preliminary or election. Upon receiving such a request from a registered voter by phone or electronically, the local election official shall grant reasonable accommodations to the voter.

(6) The state secretary shall establish, implement and maintain an internet portal on the secretary's website to allow a voter to request an early voting ballot for preliminaries, primaries and elections authorized pursuant to this subsection or an absent voting ballot for primaries and elections authorized pursuant to section 86. The voter shall be able to request that the ballot be mailed to the voter's home address, or a different mailing address as designated by the voter, or provided electronically if the voter is approved to utilize an accessible electronic ballot as an accommodation under paragraph (4). Any request under this paragraph shall not require the voter's wet signature.

(7) (i) Not later than 45 days before any presidential or regular state primary or biennial state election or a primary held pursuant to section 140 to fill a vacancy for senator in congress, the state secretary shall mail to all registered voters who are registered to vote not less than 60 days before such primary or election, at their residential addresses or mailing addresses if different from their residential address listed in the central registry, an application for an early voting ballot for the applicable primary or election and any city or town election held on the same day as such primary or election. The application shall also allow a voter to request an early voting ballot for: (A) the remaining state primary or election in the calendar year; or (B) if applicable, the election held pursuant to section 140 to fill a vacancy for senator in congress. The state secretary need not mail an application to a voter whose previous application for an absent

S 2924

voting ballot or early voting ballot for the applicable primary or election has been accepted.

(ii) Each application mailed pursuant to this paragraph shall: (A) be pre-addressed to the city or town clerk with return postage guaranteed; (B) be provided in any language required by the bilingual election requirements of the federal Voting Rights Act, 52 U.S.C. 10503; (C) be in a form prescribed by the state secretary in accordance with state and federal law; (D) include clear instructions for completing and returning the application; and (E) allow a voter to designate the mailing address to which the ballot shall be sent.

(iii) Each application mailed pursuant to this paragraph to a voter in the city of Boston shall include an option, which shall appear prominently on the application, to request a ballot printed in any language available at the voter's polling location pursuant to chapter 166 of the acts of 2014.

(iv) To minimize mailings and costs, the state secretary may seek to include said applications in any other mailings required by this chapter or otherwise issued to such registered voters at such time; provided, however, that such a mailing shall clearly indicate that applications to vote early by mail are contained therein and that any voter who previously returned an accepted application for an absent voting ballot or early voting ballot in the calendar year need not return an additional application for the applicable primary or election.

(v) The applications required pursuant to this paragraph shall be made available on the website of: (A) the state secretary; and (B) each city and town.

(8) The election officers and registrars of every city or town shall include an application for an early voting ballot with the acknowledgment notice sent to any person registering to vote or changing their voter registration address; provided, however, that the application shall be in the form prescribed by the state secretary pursuant to paragraph (7).

(9) Upon receipt of an early voting application, the election officers shall verify the voter's information and, if confirmed, shall record the voter as "EV" on the voting list. If the election officers find that the person signing the application is not a duly registered voter or the family member of a voter, they shall send the voter written notice to that effect and shall preserve the application during the time fixed by law for the preservation of ballots cast in the coming election, after which time the application shall be destroyed.

S 2924

(10) Early voting ballots authorized pursuant to this section shall be mailed by the appropriate local election officials as soon as such materials are available. The mailing of an early voting ballot shall include: (i) instructions for early voting; (ii) instructions for completing the ballot; (iii) an inner envelope where the ballot shall be placed after voting that contains an affidavit of compliance to be filled out by the voter and notice of the penalties under section 26 of chapter 56; and (iv) an outer envelope that is pre-addressed to the local election official with postage guaranteed. To the extent feasible, the state secretary shall include on the outer envelope a system that generates a postmark for determining the date upon which the envelope was mailed.

(11) Early voting ballots authorized pursuant to this section shall be provided to the voter in the language required pursuant to clauses (ii) and (iii) of paragraph (7).

(12) The provisions of section 81 relative to spoiled ballots shall apply to early voting ballots under this section; provided, however, that a request for a substitute ballot from a voter who has received a ballot by mail shall not be valid unless it is accompanied by the spoiled ballot and received in the office of the city or town clerk or the registrars before 5 p.m. on the fifth day preceding the election for which such substitute voting ballot is requested.

(13) An early voting ballot received by mail may be returned by the voter or a family member by: (i) delivering it in person to the office of the appropriate city or town clerk; (ii) delivering it to an early voting location for the appropriate city or town during the early voting in-person hours; (iii) dropping it in a secured municipal drop box for the city or town where the voter is registered; or (iv) mailing it to the appropriate city or town clerk.

All early voting ballots submitted by mail, delivered in person to the office of the city or town clerk, returned to a secured municipal drop box for the city or town where the voter is registered or returned electronically pursuant to the accommodations granted to a voter by reason of disability under paragraph (4) shall be received by the city or town clerk before the hour fixed for closing the polls on the day of a preliminary, primary or election; provided, however, that an early voting ballot mailed on or before the day of a biennial state election shall be accepted until 5 p.m. on the third day after the election and shall be processed in accordance with section 95. A postmark, if legible, shall be evidence of the time of mailing.

(h) Any early voting ballot cast pursuant to this section may be opened and deposited into a tabulator in advance of the date of the preliminary, primary or election in accordance with regulations promulgated by the state secretary; provided, however, that municipalities that do not have a tabulator may open and deposit early voting ballots into a ballot box; provided further, that such ballots shall be kept secured, locked and unexamined and that no results shall be determined or announced until after the time polls close on the date of the preliminary, primary or election; and provided further, that notice of the date, time and location of any such opening or depositing shall be posted not less than 2 business days in advance of the opening or depositing; and provided further, that the opening or depositing shall be open to the public. (2) Any registered voter wanting to vote early by mail may file with the voter's local election official an application for an early voting ballot for a preliminary, primary or election or for all preliminaries, primaries and elections authorized pursuant to this subsection during the calendar year. Any form of written communication evidencing a desire to have an early voting ballot sent for use for voting at a preliminary, primary or election shall be given the same effect as an application made in the form prescribed by the state secretary. Applications shall be acceptable if they are signed or submitted electronically; provided, however, that any electronic signature

S 2924

shall be written in substantially the same manner as a handwritten signature. No application shall be deemed to be seasonably filed unless it is received in the office of the city or town clerk or registrars of voters before 5 p.m. on the fifth business day preceding the preliminary, primary or election.

(3) A family member of a person qualified to vote early by mail may apply in the manner described under paragraph (2) on behalf of such person. Such applicant shall state the applicant's relationship to the early voter, shall sign the application under the pains and penalties of perjury and shall transmit the application to the clerk of the city or town where the early voter is registered.

(4) A voter wishing to apply to vote early by mail in any presidential or state primary or election or any primary or election held pursuant to section 140 to fill a vacancy for senator or representative in congress and who needs accommodation by reason of disability and is unable to independently mark a paper ballot may apply for such accommodations in a form and manner prescribed by the state secretary. Accommodations shall include, but not be limited to: (i) clear and accessible electronic instructions for completion, printing and returning of the ballot; (ii) an accessible blank electronic application that can be: (A) completed by the voter electronically; (B) signed with a wet signature, a hand drawn electronic signature or the voter's typewritten name as a signature if the voter is unable to independently insert a hand-drawn signature on the application due to a disability; and (C) submitted electronically, by mail or by delivering it, in person or by a family member, to the office of the appropriate city or town clerk; (iii) an authorized accessible blank electronic ballot that can be filled out electronically, printed and signed; provided, however, that the accessible electronic ballot marking system the voter utilizes to access their blank electronic ballot shall not collect or store any personally identifying information obtained in the process of filling out the ballot; (iv) an accessible electronic affidavit that may be used for certification of an accessible electronic ballot and signed with a wet signature, a hand-drawn electronic signature or the voter's typewritten name as a signature if the voter is unable to independently insert a hand-drawn signature on the ballot due to a disability; (v) an envelope to return the ballot to the voter's town or city clerk with postage guaranteed; and (vi) hole punched markers in place of a wet signature required for certification if an electronic affidavit of certification is not utilized. A voter with accommodations in receipt of a ballot pursuant to this section may complete and return the ballot by: (i)

S 2924

submitting it electronically; (ii) delivering it, in person or by a family member, to the office of the appropriate city or town clerk or a secured municipal drop box for the city or town where the voter is registered; or (iii) mailing it to the appropriate city or town clerk; provided, however, that the state secretary shall provide an envelope to allow for returning the ballot pursuant to clause (ii) or (iii).

(5) A voter wishing to apply to vote early by mail in a municipal preliminary or election authorized pursuant to this subsection and who needs accommodation by reason of disability and is unable to independently mark a paper ballot may request an accommodation from their local election official. The request shall be received by the local election official not later than the seventh business day preceding the preliminary or election. Upon receiving such a request from a registered voter by phone or electronically, the local election official shall grant reasonable accommodations to the voter.

(6) The state secretary shall establish, implement and maintain an internet portal on the secretary's website to allow a voter to request an early voting ballot for preliminaries, primaries and elections authorized pursuant to this subsection or an absent voting ballot for primaries and elections authorized pursuant to section 86. The voter shall be able to request that the ballot be mailed to the voter's home address, or a different mailing address as designated by the voter, or provided electronically if the voter is approved to utilize an accessible electronic ballot as an accommodation under paragraph (4). Any request under this paragraph shall not require the voter's wet signature.

(7) (i) Not later than 45 days before any presidential or regular state primary or biennial state election or a primary held pursuant to section 140 to fill a vacancy for senator in congress, the state secretary shall mail to all registered voters who are registered to vote not less than 60 days before such primary or election, at their residential addresses or mailing addresses if different from their residential address listed in the central registry, an application for an early voting ballot for the applicable primary or election and any city or town election held on the same day as such primary or election. The application shall also allow a voter to request an early voting ballot for: (A) the remaining state primary or election in the calendar year; or (B) if applicable, the election held pursuant to section 140 to fill a vacancy for senator in congress. The state secretary need not mail an application to a voter whose previous application for an absent

S 2924

(ii) Each application mailed pursuant to this paragraph shall: (A) be pre-addressed to the city or town clerk with return postage guaranteed; (B) be provided in any language required by the bilingual election requirements of the federal Voting Rights Act, 52 U.S.C. 10503; (C) be in a form prescribed by the state secretary in accordance with state and federal law; (D) include clear instructions for completing and returning the application; and (E) allow a voter to designate the mailing address to which the ballot shall be sent.

(iii) Each application mailed pursuant to this paragraph to a voter in the city of Boston shall include an option, which shall appear prominently on the application, to request a ballot printed in any language available at the voter's polling location pursuant to chapter 166 of the acts of 2014.

(iv) To minimize mailings and costs, the state secretary may seek to include said applications in any other mailings required by this chapter or otherwise issued to such registered voters at such time; provided, however, that such a mailing shall clearly indicate that applications to vote early by mail are contained therein and that any voter who previously returned an accepted application for an absent voting ballot or early voting ballot in the calendar year need not return an additional application for the applicable primary or election.

(v) The applications required pursuant to this paragraph shall be made available on the website of: (A) the state secretary; and (B) each city and town.

(8) The election officers and registrars of every city or town shall include an application for an early voting ballot with the acknowledgment notice sent to any person registering to vote or changing their voter registration address; provided, however, that the application shall be in the form prescribed by the state secretary pursuant to paragraph (7).

If the election officers find that the person signing the application is not a duly registered voter or the family member of a voter, they shall send the voter written notice to that effect and shall preserve the application during the time fixed by law for the preservation of ballots cast in the coming election, after which time the application shall be destroyed.

S 2924

(10) Early voting ballots authorized pursuant to this section shall be mailed by the appropriate local election officials as soon as such materials are available. The mailing of an early voting ballot shall include: (i) instructions for early voting; (ii) instructions for completing the ballot; (iii) an inner envelope where the ballot shall be placed after voting that contains an affidavit of compliance to be filled out by the voter and notice of the penalties under section 26 of chapter 56; and (iv) an outer envelope that is pre-addressed to the local election official with postage guaranteed. To the extent feasible, the state secretary shall include on the outer envelope a system that generates a postmark for determining the date upon which the envelope was mailed.

(11) Early voting ballots authorized pursuant to this section shall be provided to the voter in the language required pursuant to clauses (ii) and (iii) of paragraph (7).

(12) The provisions of section 81 relative to spoiled ballots shall apply to early voting ballots under this section; provided, however, that a request for a substitute ballot from a voter who has received a ballot by mail shall not be valid unless it is accompanied by the spoiled ballot and received in the office of the city or town clerk or the registrars before 5 p.m. on the fifth day preceding the election for which such substitute voting ballot is requested.

(13) An early voting ballot received by mail may be returned by the voter or a family member by: (i) delivering it in person to the office of the appropriate city or town clerk; (ii) delivering it to an early voting location for the appropriate city or town during the early voting in-person hours; (iii) dropping it in a secured municipal drop box for the city or town where the voter is registered; or (iv) mailing it to the appropriate city or town clerk.

All early voting ballots submitted by mail, delivered in person to the office of the city or town clerk, returned to a secured municipal drop box for the city or town where the voter is registered or returned electronically pursuant to the accommodations granted to a voter by reason of disability under paragraph (4) shall be received by the city or town clerk before the hour fixed for closing the polls on the day of a preliminary, primary or election; provided, however, that an early voting ballot mailed on or before the day of a biennial state election shall be accepted until 5 p.m. on the third day after the election and shall be processed in accordance with section 95. A postmark, if legible, shall be evidence of the time of mailing.

S 2924

(14) Upon receipt of a completed early voting ballot, the local election official shall open the outer mailing envelope and examine the inner secrecy envelope without opening it, compare the signature thereon with the signature on the application therefor, except if a family member signed the application or the voter received assistance in signing the application or the envelope, and examine the affidavit on each such envelope. If the affidavit has been improperly executed or does not sufficiently indicate that the ballot was marked and mailed or delivered as required by this section, the local election official shall mark across the face thereof "Rejected as defective" and shall notify the voter and send the voter a new ballot. If the early voting ballot is accepted, the local election official shall record the date and secure the ballot in its envelope until processing in accordance with law.

(b) (1) The local election officers and registrars of every city or town shall allow any registered voter qualified under section 1 of chapter 51 to vote early in person for any: (i) presidential or state primary or biennial state election or primary or election held pursuant to section 140 to fill a vacancy for senator or representative in congress; and (ii) city or town election held on the same day as a primary or election enumerated in clause (i). Any voter wishing to vote early in person in such primaries or elections may do so at the time, manner and location prescribed in this section.

(2) Early voting in person shall be conducted:

(i) from the seventeenth day through the fourth day, inclusive, preceding a biennial state election and any city or town election held on the same day as a biennial state election; and

(4) Each city and town shall establish an early voting site that shall include the local election office for the city or town; provided, however, that if the city or town determines that the office is unavailable or unsuitable for early voting, the registrars of each city or town shall identify and provide for an alternative public building that is centrally-located, suitable and convenient within the city or town as an early voting site; and provided further, that when designating early voting sites, a city or town shall consider, to the extent feasible, diverse geographic locations and whether such sites would have an impact on access to the polls on the basis of race, national origin, disability, income or age. A city or town may also provide for additional early voting sites at the discretion of the registrars for that city or town. Each early voting site shall be accessible to persons with disabilities in accordance with state and federal law.

(5) The designation of an early voting site shall be made not less than 14 days prior to the beginning of the early voting period established in this

S 2924

Not less than 5 business days prior to the beginning of the early voting period and at least once during the early voting period, the registrars for each city and town shall publish notice of the location of the early voting sites as well as the applicable dates and hours. Such notice shall be conspicuously posted: (i) in the office of the city or town clerk and on the principal official bulletin board of each city or town; (ii) on any other public building considered necessary; (iii) on the city or town's website; and (iv) on the website of the state secretary.

(6) Prior to the beginning of in-person early voting, the local election officials for each city and town shall prepare a list for the early voting sites, containing the names and residences of all persons qualified to vote at each voting site as the names and residences appear upon the annual register, and shall reasonably transmit the applicable list to the local election officers at each early voting site designated by the registrars.

(7) A voter seeking to vote in person at an early voting site shall provide their name and address to the local election officer who shall, upon finding the voter's name and address upon the list, repeat it loudly and clearly, mark the list and provide the voter with an early voting ballot and an envelope containing an affidavit, which shall include a notice of penalties under section 26 of chapter 56. The registrar or presiding election officer at the early voting site shall cause to be placed on the voting list opposite the name of a qualified voter who participates in early voting, the letters "EV" designating an early voter.

(8) Upon marking their early voting ballot, enclosing it in the secrecy envelope and executing the affidavit, the voter shall return the ballot envelope to a local election officer at the early voting site who shall review the envelope to ensure the affidavit has been signed by the voter. After a ballot envelope has been accepted, it shall be securely stored at the early voting site until such time as it is transported to the office of the local election official, but not later than the close of early voting for that day.

(c)(1) The select board, board of selectmen, town council or city council of each city and town may vote to authorize early in-person voting for any other city or town preliminary or election not included in subsection (b). Such vote may only be taken after a request from not less than 50 percent of the registrars of the city or town recommending in-person early voting; provided, however, that such vote shall occur not less than 5 business days prior to the proposed beginning of early voting.

S 2924

(2) As part of the vote to allow early in-person voting under this subsection, a city or town shall set the early voting period to begin not sooner than 17 days before the preliminary or election and end not later than 2 business days preceding the preliminary or election.

(3) Early voting under this subsection shall be conducted during the usual business hours of the city or town clerk unless different hours are set as part of the vote to allow early in-person voting, including any weekend hours.

(4) The city or town clerk shall establish an early voting site for early in-person voting under this subsection that is centrally-located, suitable and in a convenient public building. Notice of the early voting location, dates and hours shall be posted not less than 48 weekday hours before the early voting period begins.

(5) A voter voting early in person under this subsection shall be provided with a ballot and an envelope where the ballot is placed after voting that contains an affidavit of compliance to be filled out by the voter. A voter voting early in person shall complete an affidavit under the regulations promulgated by the state secretary for the administration of early voting, as applicable, which shall include a notice of penalties under section 26 of chapter 56.

(d) The registrars shall prepare lists of all voters casting ballots during the early voting period pursuant to this section and update the voter list in a manner prescribed by the state secretary. Once an early voting ballot is cast, the voter shall not vote again.

(e) The early voting ballot of any voter who was eligible to vote at the time the ballot was cast shall not be invalid solely because the voter became ineligible to vote by reason of death after casting the ballot. For purposes of this subsection, the term "cast" shall mean that the voter has: (i) deposited the early voting ballot in the mail for ballots mailed; (ii) returned the early voting ballot to the appropriate local election official either by hand or by depositing it in a secured municipal drop box, where available, for the city or town where the voter is registered; (iii) completed voting in person at an early voting location; or (iv) submitted a ballot electronically pursuant to the accommodations granted to a voter by reason of disability under paragraph (4) of subsection (a).

(g) Not less than 30 days prior to each presidential primary, state primary, state election, and primary or election held pursuant to section 140 to fill a vacancy for senator or representative in congress, the state secretary shall deliver to each city and town, in quantities as the state secretary determines necessary, the following papers: (i) official early voting ballots similar to the official ballot to be used at the election; provided, however, that a sufficient quantity of such ballots are printed in the languages necessary to accommodate the selection of a bilingual ballot by voters pursuant to clauses (ii) and (iii) of paragraph (7) of subsection (a); (ii) envelopes of sufficient size to contain the ballots specified in clause (i) bearing on their reverse the voter's affidavit; (iii) return envelopes, pre-addressed to the local election official with postage guaranteed, for any ballot requested for voting by mail; and (iv) instructions for voting by mail to be sent to each voter who requests to cast a ballot by mail. The voting period for early voting by mail shall begin as soon as all necessary early voting materials have been received by the local election official pursuant to this subsection.

(h) Any early voting ballot cast pursuant to this section may be opened and deposited into a tabulator in advance of the date of the preliminary, primary or election in accordance with regulations promulgated by the state secretary; provided, however, that municipalities that do not have a tabulator may open and deposit early voting ballots into a ballot box; provided further, that such ballots shall be kept secured, locked and unexamined and that no results shall be determined or announced until after the time polls close on the date of the preliminary, primary or election; and provided further, that notice of the date, time and location of any such opening or depositing shall be posted not less than 2 business days in advance of the opening or depositing; and provided further, that the opening or depositing shall be open to the public. Disclosing any such result before such time shall be punished as a violation of section 14 of chapter 56.

All envelopes referred to in this section shall be retained with the ballots cast at the preliminary, primary or election and shall be preserved and destroyed in the manner provided by law for the retention, preservation or destruction of official ballots.

S 2924

(i) The state secretary shall promulgate regulations to implement this section including, but not limited to, a process for establishing additional early voting sites and a process for applying for, receiving, separating, compiling, recording and securing early ballots and advance depositing.

(j) Section 72 shall not apply to this section; provided, however, that a city or town, at the discretion of its election officers and registrars, may detail a sufficient number of police officers or constables for each early voting site at the expense of the city or town to preserve order, protect local election officers and supervisors from any interference with their duties and aid in enforcing the laws relating to elections.

(k) Not later than 45 days after each presidential primary, regular state primary, biennial state election and primary or election held pursuant to section 140 to fill a vacancy for senator or representative in congress, the state secretary shall submit a report to the house and senate committees on ways and means and the joint committee on election laws on the costs to implement subsection (a) of this section. The report shall include, but not be limited to: (i) the number of ballot applications with postage guaranteed mailed to voters; (ii) where available, the number of ballot applications with postage guaranteed returned requesting a ballot; (iii) the total number of ballots cast by mail; (iv) total cost and amounts paid for using federal funds; and (v) where available, the number of ballot applications that were returned as undeliverable and a description of the reasons why each application was returned, including, but not limited to, a change of address or the intended recipient being deceased.

Where a check-out list is used, the officer in charge of the ballot box and the officer in charge of the voting list shall either: (i) be of different political parties; or (ii) not be of the same political party if the election officers have been appointed pursuant to section 14 without regard to political party membership. No person shall vote if the person's name is not on the voting list, nor until the local election officer shall check the person's name thereon, unless the person presents a certificate from the registrars of the city or town as provided by section 51 or section 59 of chapter 51 or unless the person is voting by provisional ballot under section 76C.
