(i) Steele House elevator upgrade- Josh Stern, Kone

Mr. Josh Stern from Kone elevator was present for this portion of the board meeting via Zoom. Director of Maintenance, Patrick Walsh, was present for this portion of the board meeting. Patrick stated to the board that the elevators at the Steele house have had multiple shutdowns, service calls, and a few entrapments within the last few months. Patrick stated that Kone is very good at responding to calls but the issue that is being run into is that the elevator parts are almost obsolete and waiting for parts can take up to 2 weeks. Josh stated that the main issues with the Steele elevators are the door components. Josh stated in the last six months, there have been issues with the elevators that are beyond maintenance and the capacity to fix. It is getting to a point where if we are not proactive in fixing these issues, it will only get worse, and no amount of maintenance will be able to prevent the parts from failing. Jim and Josh have been discussing options that will work to fix the elevators and have come up with the proposal that the board members have in front of them. This proposal contains a complete upgrade to the door operating system and installation of new hoistway equipment. Josh stated that he looked back at the elevator call back reports and stated that 18 of 20 elevator shutdowns were related to these components. Josh stated that the whole project would take no more than 8 weeks to complete. Jim Holt stated that it's possible the MHA can secure some emergency funding from DHCD for this project which will cost \$114,650.00. Jim has sent this proposal to the RCAT manager to see if funding is approved. The board members thanked Josh Stern for attending.

(ii) Fee Accountant Services- Rich Conlon

This item was tabled at the last board meeting so that the Commissioners had more time to read through the proposal. Upon a motion by Charlie Harak, duly seconded by Mike Barry, and unanimously approved, the Board voted to approve the proposal with MHA fee accountant, Rich Conlon. Chairman Ellen Connolly declared the AYES have it.

9. New Business

(i) Performance Management Review (PMR)

The MHA received operational guidance on Certifications and Reporting submissions due to failing to submit vacancy reports. Jim Holt stated this was due to the turnover with the Public Housing Coordinator position. Operational guidance was also given on Tenants Accounts Receivable that the threshold should be 5.5 but the MHA's threshold was 5.7, this seems to be an issue with timing. The MHA also received operational guidance on entering paper CHAMP applications. There was one CHAMP application that was not entered within 30 days of the MHA receiving it. Report was received and placed on file.

(ii) Greater Boston Interfaith Organization

Representatives from the Greater Boston Interfaith Organization were present for this portion of the board meeting, Rabbi Jessica, and Mr. Shayok Chakraborty along with Steele House residents, Dorothy Rocklin and Francis Burton. GBIO has asked for a significant increase in public funding of \$184 million which is double what's in the budget. Mr. Chakraborty explained that the GBIO is a group of 57 dues paying members who represent issues based on listening sessions with members of the public, public housing tenants, churches, etc. The board discussed reaching out to Senator Jason Lewis and Representative Kate Lippert-Garabedian to see if a meeting can be scheduled with the housing authority and some of the residents so there can be a discussion on the need for more funding in public housing. Jim Holt stated that he would reach out to Senator Lewis and Kate Lippert-Garabedian. The board members thanked Rabbi Jessica, Mr. Chakraborty, Dorothy Rocklin and Francis Burton for attending.
